GENERAL RULES AND REGULATIONS FOR ALL ENTRIES

Entries or animals brought to the Steuben County Fair is at the risk of the owners. The Society will not be responsible for any loss by fire, water, theft or otherwise. Address all inquiries concerning entries to: Steuben County Agricultural Society, 15 E Washington St, Bath, NY 14810. Or call the fair office at 607-776-4801. The Society reserves the right to reject or refuse any entry. Entry fees will not be refunded.

Exhibitors may not sell goods or distribute merchandise, printed or written material. Exhibitors are not allowed to call attention to their entry. If you do not wish to keep your ribbon or rosette, return it to your superintendent or the fair office. Open class exhibitors are not allowed to camp on the fairgrounds.

PREMIUM AWARDS:

Awards and premiums are according to the decision of the judge and as recorded in the judges' book.

Premiums will be issued by check. Premium checks will not be mailed. Checks will be available at the fair office on Sunday, August 20th, or when you pick up your entry on Monday.

Notice of errors, or claims of incorrect payment of premiums, must be made to the Secretary before September 15th following the fair. After September 15th the Secretary reserves the right to decline to make corrections or adjust errors.

Should weather or an unexpected event occur at the fair to reduce the net receipts below the requirement for premiums, the Board of Directors reserves the right to pay premiums on a prorated basis after all expenses have been paid. Premiums may also be affected by lack of state funding.

Appeals to the Board of Directors regarding the awards of the judges are only allowed in regular sections and only in cases where bias is shown on the part of the judge. All appeals must be presented to the Secretary in writing within 5 business days after the conclusion of the fair and be accompanied by a fee of \$25.00. If appeal is sustained, fee of \$25.00 will be refunded; otherwise, it goes to the Society.

JUDGING:

Any entry without the proper entry tag attached will not be judged. If there is only one entry in a section, entry will be judged accordingly, as in the judge's opinion of what it shall deserve. Awards will not be issued if judge determines entry is not worthy. The judge will exclude anyone that has violated any of the rules and regulations of this fair. A judge cannot judge a section in which they have either direct or indirect interest in an entry. Any exhibitor will be excluded from competition if they interfere with a judge during their judging of entries.

ENTRY INFORMATION FOR LIVESTOCK

Exhibitor fee of \$6.00 per exhibitor. Two wristbands per exhibitor. Exhibitors can purchase extra wristbands for \$20.00 each. Maximum of two premiums paid per class per exhibitor. Premiums will be issued by check. Premium checks will not be mailed. Checks will be available at the fair office on Sunday, August 20th

Animals must be shown in individual class to qualify for a pair or group class.

Animals must be owned and cared for by exhibitor at least 30 days prior to the fair. Animals must be registered in the exhibitor's name. Registration papers are required for competition. Group classes require certificates of registration of animals at ringside. Health and registration papers must accompany animals upon arrival and must stay with the animals until the state veterinarian checks animals in. Animals cannot be unloaded without these documents. Animals must comply with NYS requirements of NYS Dept of Agricultural and Markets rules and regulations, which are on pages 5 - 9 of this fair book.

Animals must be identified by a USDA approved official ear tag. Ear tag must correspond with registration papers. If breed associations require tattoos for registration, the animals must have a clearly legible tattoo that corresponds with their registration papers.

Exhibitors are responsible for feed, hay and bedding. Extra hay cannot be stored in animal area. Before leaving, exhibitors must clean out their animal's pens, remove trash, food, etc. from area.

ENTRY INFORMATION FOR ALL OTHER

Exhibitor fee of \$6.00 per exhibitor. Each exhibitor will receive two single day admission tickets.

All entries have to be the work of the named exhibitor from start to finish, and be the property of the named exhibitor. Fruits, vegetables, flowers, farm produce must be grown by the named exhibitor. Culinary foods must be processed from start to finish by named exhibitor. An affidavit for proof may be requested. Items previously entered, are not allowed to be entered again. Premium award ribbons will be displayed on all prize-winning entries for the duration of the fair. Entries will be accepted on Saturday, August 13th from 10am to 4pm and Sunday, August 14th from 10pm to 4pm. Entry tags and admission tickets will be issued when your entry is received. Entries will remain on display for the duration of the fair. Entries need to be picked up at the back door of Fair House on Monday, Aug 22nd from 9am to 6pm. Any entry left after 6pm will be discarded unless arrangements are made with management prior to the fair. Premiums will be issued by check. Premium checks will not be mailed. Checks will be available when you pick up your entry on Monday.

Animal Health Requirements for Admission to New York State and County Fairs

(Part 351 of NYS Agriculture and Markets Regulations)

NYS Dept of Agriculture and Markets/Division of Animal Industry, 10B Airline Drive, Albany, NY 12235 518-457-3502

www.agriculture.ny.gov/animals

AI-202 (2022)

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds during a fair which is not qualified under NYS regulations.
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of or exposed to any infectious, contagious or communicable disease.

NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian.
- All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:

- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a NY state official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export>.

Animal Identification

- **ALL MANMADE ID MUST BE RECORDED**
- Cattle must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended.
- Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
- Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Nursing piglets do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI.
- Llamas and alpacas must be identified by official ear tag or microchip.
- Misc. ruminants must be identified by unique ear tag or microchip.
- A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.
NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
- For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination

- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair.
 - For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months. Animals that are vaccinated prior to 3 months of age will need to be re-vaccinated according to label before entering the fairgrounds.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- **NOTE:** Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination

- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of

veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.

- Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year.
- If the statement of rabies vaccination is included on an EIA test record, it must be signed separately in addition to the required EIA test record signature.
- **NOTE:** Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements.
- Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

BVD-PI Testing

- All cattle, llamas, and alpacas exhibited at NY county fairs or the State Fair must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal, and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

Cleaning and Disinfection

- All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths

- Occasionally animal deaths occur at a fair. If a death occurs it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

Calving, Kidding, and Lambing

- Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be **ordered removed from the fairgrounds** along with their offspring, unless the animals are part of a birthing demonstration.

Commingleing of Sheep and Cattle

- Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingleing of Swine and Poultry

- Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home

- The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements

Horses

- Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable. For more information on EECVIs, visit <http://www.globalvetlink.com>.
- Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2021 for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry. The EIA test certificate must include a complete description of the horse.
- Rabies vaccination within 12 months is required for all horses 4 months of age or older (see above).

Cattle

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Rabies vaccination is required for all cattle 4 months of age or older (see above).
- All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.
- All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair.

Sheep

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved flock tattoo and individual animal ID number or 3) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- Rabies vaccination is required for all sheep 4 months of age or older (see above).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.
- If evidence of soremouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.
- If evidence of soremouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Llamas and Alpacas

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry

- Poultry (with the exception of doves, pigeons and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.
- Poultry qualified by 90-day test must be identified by official leg band.
- Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae)

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Originate from a herd classified as accredited or qualified under USDA tuberculosis regulations.
- A movement permit obtained from the Division of Animal Industry is required for all deer movements. All CWD and TB program requirements must be met before a permit will be issued. Questions regarding movement permits should be directed to the Division of Animal Industry at 518-457-3502.

Miscellaneous Ruminants

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Exhibitor Pre-fair Guidelines AI-202 (2022)

Cattle, Sheep, Goats, Swine, Llamas and Alpacas, Cervids, Misc. Ruminants

- Review the animal health requirements booklet including information for your species **before** your veterinarian arrives to inspect your animals. If you have any questions, **ask**.
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call **early** to avoid the last-minute rush when mistakes are made and there is no time to correct.
- Make sure **USDA approved official ear tags** are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats.
- Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair.
- ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- **DO NOT** stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document and you share responsibility if it is incorrect.
- If you are **importing** livestock from out of state, make sure the interstate requirements are met and you have a valid **interstate certificate of veterinary inspection**.

Poultry

- Schedule pullorum flock inspection and testing well ahead of the fair if your flock is participating in the NPIP program.
- If you're having your birds tested within 90 days of the fair you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
- Birds qualified by 90-day test must be identified by official leg band.
- **Bring documentation** with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

Horses

- NY origin horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been on or after January 1, 2020.
- **Imported** horses must be accompanied by an interstate certificate of veterinary inspection with a **negative EIA test within 12 months prior to entry**. Rabies vaccination information can be incorporated into the CVI.
- Drawing or photograph **must** match the horse.
- Rabies vaccination must be within 1 year of arrival at the fair and be documented by a **signed** rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

MOST IMPORTANT

When you are loading your livestock for the trip to the fair, take the time to examine them. Make sure they are the same animals that are on the paperwork and, if they are showing any signs of illness, **LEAVE THEM HOME**.

INTERSTATE HEALTH REQUIREMENTS FOR FAIR ANIMALS

This document is a supplement to the Animal Health Requirements (AI-202) published for animals exhibited at New York State county fairs and the State Fair. Its purpose is to summarize the import requirements that must be met for livestock entering New York destined for fairs. Please carefully review the Animal Health Requirements. Note that individual county fairs may require rabies vaccination in species not required by the state. Contact the specific fair for their requirements. Fair contact information is available at www.nyfairs.org. Further assistance can be obtained by contacting the Division of Animal Industry (DAI) at 518-457-3502 or your State Veterinarian's office. You can also go to the following link on our Dept. website: <https://agriculture.ny.gov/animals/animal-import-export>.

INTERSTATE CERTIFICATE OF VETERINARY INSPECTION (ICVI)

An interstate CVI is required for cattle, horses, swine, sheep, goats, llamas/alpacas, deer/elk and misc. ruminants moving interstate. Extended Equine CVIs (EECVIs) are acceptable for horses. More information on EECVIs is available at www.globalvetlink.com and from your veterinarian. Note that interstate CVI's must be issued by a Category 2 accredited veterinarian. The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season, from July 1 through Labor Day, interstate CVI's can be used multiple times as long as the initial entrance to a NY fair is within 30 days of CVI inspection and the CVI is initiated by a NY state official at the fair. All documentation must accompany the animals. Animals not meeting the interstate and/or fair requirements will not be allowed

on the grounds. Individual ID is required on all animals. Animals with incomplete or illegible ID will be rejected. Where rabies vaccination is required, the information can be included on the health certificate.

HORSES

Horses 6 months of age or older must test negative for equine infectious anemia (EIA). The sample collection date for the qualifying EIA test must be within 12 months prior to the date of entry to the fair. The horse must be clearly and completely identified. Rabies vaccination is required for all horses 4 months of age and older on the date of admission to a fair. Vaccination must be within the past 12 months.

CATTLE

Cattle must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Cattle from all states must be test negative for BVD-PI with results and test date noted on the CVI. For cattle from the New England states, New Jersey, Ohio and Pennsylvania, no additional testing (other than the BVD-PI test) is required. For information on other states, you can contact DAI at 518-457-3971 or check the Department website at <https://agriculture.ny.gov/animals/animal-import-export>. Vaccination for rabies is required for all cattle 4 months of age or older on the date of admission to a fair. Vaccination must be within the past 12 months. Bovine respiratory disease complex vaccination is also required.

SHEEP

Sheep can enter with CVI only. No tests are required. All sheep must be identified by a 1) a USDA approved ear tag, 2) a legible USDA approved flock tattoo with individual ID, or 3) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program. The veterinary statement concerning the flock inspection is required. Rabies vaccination is required for all sheep 4 months of age and older on the date of admission to a fair. Vaccination must be within the past 12 months unless a 3- year vaccination has been used.

GOATS

Goats can enter with CVI only. No tests are required. The veterinary statement concerning the flock inspection is required. All goats must be identified by 1) a USDA approved tag, 2) a legible registration tattoo, or 3) a legible USDA approved herd tattoo with individual animal ID. Electronic implant devices (microchips) are only permitted if enrolled in the Scrapie Flock Certification Program and/or the electronic implant ED is recorded on the goat's registration paper. *Note that individual county fairs may require rabies vaccination.*

SWINE

Swine can enter with CVI only. No tests are required. Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. *Note that individual county fairs may require rabies vaccination.*

LLAMAS/ALPACAS

New world camelids attending a New York county or state fair must be accompanied by a CVI with animals individually identified by microchip or official ear tag. They must be test negative for BVD-PI with test date and results noted on the CVI. *Note that individual county fairs may require rabies vaccination.*

DEER/ELK (CERVIDAE)

CWD susceptible cervid species cannot be imported into New York. Non CWD susceptible species require a permit. For information on importing deer contact DAI at 518-457-3502.

POULTRY

Negative avian influenza and pullorum status is required for all poultry entering NY. Out of state poultry must be accompanied by the NPIP flock certificate if the flock is NPIP certified.

Otherwise, a CVI is required. Poultry, with the exception of, doves and pigeons, must test negative for pullorum within 90 days prior to importation if not from an NPIP Pullorum-Typhoid Clean Flock. In addition, all poultry must be 1) from a source flock in which 30 birds were tested negative for avian influenza within ten days prior to entry into New York State; or 2) from an NPIP U.S. H5/H7 Avian Influenza Clean or NPIP U.S. Avian Influenza Clean Flock.

For more information, contact DAI at 518-457-3971. MISC. RUMINANTS

Certificate of veterinary inspection and official USDA approved ear tag. *Note that individual county fairs may require rabies vaccination*

Rules and Regulations of the Department of Agriculture and Markets
Title 1 of the Official Compilation of New York Codes Rules and Regulations
(Part 350 of NYS Agriculture and Markets Regulations)

STANDARDS FOR CONDUCT OF FAIRS

Section 350.1 FAIR SPONSOR; DEFINITION: For purposes of this Part a *fair sponsor* shall mean any organization that receives money from the State for the promotion of agriculture and domestic arts pursuant to Article 24 of the Agriculture and Markets Law.

Section 350.2 NO FEE FOR 4-H, F.F.A., JUNIOR FAIR OR SCHOOL DEPARTMENT EXHIBITS: No entry fee shall be charged for 4-H club, F.F.A. and junior fair exhibits entered for competition in their own classes, or for entries in the school department.

Section 350.3 PROMPT, FULL PAYMENT OF PREMIUMS: All premiums advertised and awarded must be paid promptly and in full, without deduction in the guise of donations or otherwise, notwithstanding any statements to the contrary or in modification thereof announced or stated in the premium book.

Section 350.4 NO PREMIUM FOR UNWORTHY EXHIBIT: No premium should be awarded by any judge or paid by any fair sponsor for an unworthy exhibit.

Section 350.5 PREMIUM AMOUNT TO ATTRACT WELL-BALANCED EXHIBITS: The amount of premium offered in the various departments should be such as to secure well-balanced exhibits, in the light of the types of agriculture carried on in the territory served by the fair.

Section 350.6 NO EXHIBITS BY JUDGES IN DEPARTMENTS THEY OVERSEE: No judges shall be permitted to enter exhibits in competition for premiums in the department with which they are connected

Section 350.7 EXHIBITS TO BE PLAINLY LABELED: All exhibits must be plainly labeled so that the full significance of the exhibits will be made clear.

Section 350.8 RE-EXHIBITION IN DOMESTIC DEPARTMENT: No article shall be exhibited in the domestic department if it has been previously exhibited therein, unless permitted by official action of the board of directors or the fair sponsor.

Section 350.9 OWNERSHIP OF EXHIBITS ENTERED IN FAIRS AND SHOWS:

All exhibits shall be entered in the name of the exhibit owner; provided, however, that the animal exhibit entered in a youth fair, youth exhibition, or 4-H show or exhibition may be entered in the name of the exhibitor.

Exhibits shall have been owned by the exhibitor for a period of at least 30 days prior to entry of the exhibit; provided, however, that any animal exhibit entered in a youth fair, youth exhibition or 4-H show or exhibition shall have been in the care of the exhibitor for a period of at least 60 days prior to entry of the exhibit.

Proof of ownership of any exhibit shall be provided by the exhibitor, upon request, to the fair sponsor.

The fair sponsor may limit the number of breeds shown by any exhibitor.

Section 350.10 REJECTION OR REFUSAL OF AN EXHIBIT

Any fair sponsor shall reserve the right to reject or refuse, and to order the removal of, any exhibit which, in the opinion of the board of directors, is not eligible or worthy of showing or has not met the livestock health requirements set forth in Part 351 of this Chapter.

Section 350.11 COMPLIANCE WITH AND ENFORCEMENT OF LIVESTOCK HEALTH REQUIREMENTS

Each fair sponsor shall comply with and enforce the livestock health requirements set forth in Part 351 of this Chapter.

SHOW RULES

This is a carrying case show. Judging will begin at 9:00am. All exhibitors are responsible for getting their animals to the judging table on time. All entries are at the risk of the owner. While all precautions will be made, the Steuben County Agricultural Society assumes no responsibility for exhibitors or their animals. Entries should be typed or printed clearly to prevent clerking errors. This show will follow the current rules of the American Rabbit Breeders Association, Inc. Making an entry to this show indicates acceptance of these rules and agreement to abide by them. Exhibitors are expected to act courteously toward judges, show staff, other exhibitors, and spectators. This includes keeping children supervised by an adult. Any checks not clearing the bank will be charged a \$20 fee. Any animals appearing sick will be removed and entry fee forfeited. There is No Smoking in the exhibit building, no alcoholic beverages outside the beer "tent", and no dogs, except Service dogs are allowed on the grounds.

Remark Cards will be available for the use of the exhibitors who wish to fill out their own or place a writer at the table for that purpose.

Thank you for your cooperation.

Location: The show will be held in the Judging Pavilion behind the swine barn at the Fairgrounds in Bath NY.
