FAIRGROUND RULES

NO VEHICLES ARE ALLOWED DOWN THE MIDWAY OF THE FAIRGROUNDS AFTER 10AM

NO SMOKING is permitted in any building on the fairgrounds.

NO DOGS or OTHER PETS are permitted on the fairgrounds, except for service animals.

NO BICYCLES or SKATE BOARDS on the fairgrounds.

IN CASE OF EMERGENCY NOTIFY THE FAIR OFFICE AT ONCE. (607)776-4801

Any environmental disasters, spills, etc. all cost involved is the responsibility of the individual at fault.

Violation of any of the above rules and regulations will subject the violator to be removed from the fairgrounds. Violator may also be arrested and fined as per 51409 of the State of New York.

The First Aid Station is located adjacent to the Grange Dining Hall. Call the fair office for immediate assistance. Report all accidents to the fair office.

FOR MORE INFORMATION:

Contact the fair office at 15 E. Washington Street, Bath, NY, or call (607)776-4801.

FAIR ENTRY RULES & REGULATIONS

Entries or animals brought to the Steuben County Fair is at the risk of the owners. The Society will not be responsible for any loss by fire, water, theft or otherwise. Address all inquiries concerning entries to: Steuben County Agricultural Society, 15 E Washington St, Bath, NY 14810. Or call the fair office at 607-776-4801. The Society reserves the right to reject or refuse any entry. Entry fees will not be refunded.

Exhibitors may not sell goods or distribute merchandise, printed or written material. Exhibitors are not allowed to call attention to their entry. If you do not wish to keep your ribbon or rosette, return it to your superintendent or the fair office. Open class exhibitors are not allowed to camp on the fairgrounds.

PREMIUM AWARDS:

Awards and premiums are according to the decision of the judge and as recorded in the judges' book.

Premiums will be issued by check and will not be mailed. Checks will be available at the fair office on Sunday, the last day of the fair, or when you pick up your entry on Monday. Open show entries upon leaving grounds.

Notice of errors, or claims of incorrect payment of premiums, must be made to the Secretary before September 15th following the fair. After September 15th the Secretary reserves the right to decline to make corrections or adjust errors.

Should weather or an unexpected event occur at the fair to reduce the net receipts below the requirement for premiums, the Board of Directors reserves the right to pay premiums on a prorated basis after all expenses have been paid. Premiums may also be affected by lack of state funding.

Appeals to the Board of Directors regarding the awards of the judges are only allowed in regular sections and only in cases where bias is shown on the part of the judge. All appeals must be presented to the Secretary in writing within 5 business days after the conclusion of the fair and be accompanied by a fee of \$25.00. If appeal is sustained, fee of \$25.00 will be refunded; otherwise, it goes to the Society.

JUDGING:

Any entry without the proper entry tag attached will not be judged. If there is only one entry in a section, entry will be judged accordingly, as in the judge's opinion of what it shall deserve. Awards will not be issued if judge determines entry is not worthy. The judge will exclude anyone that has violated any of the rules and regulations of this fair. A judge cannot judge a section in which they have either direct or indirect interest in an entry. Any exhibitor will be excluded from competition if they interfere with a judge during their judging of entries.

Entries Need to Be Received BY AUGUST 9th

ENTRY INFORMATION FOR ANIMALS

Exhibitor fee: \$6.00 per exhibitor. (2) wristbands per exhibitor. Extra wristbands for \$20.00/ea.

- *Animals must be owned and cared for by exhibitor for at least 30 days prior to the fair.
- *Registration papers in the exhibitor's name is required. Health and registration papers must accompany animal upon arrival and must stay with the animal until the state veterinarian checks them in. Animals cannot be unloaded without these documents.
- *All animals must comply with Fair Rules and Regulations.
- *All animals must comply with NYS Dept of Agricultural and Markets rules and regulations (if applicable).
- *Animals must be identified by a USDA approved official ear tag and correspond with their registration papers.
- *If breed associations require tattoos for registration, the animal must have a clearly legible tattoo.
- *Animals must be shown in individual classes to qualify for a pair or group class.
- *Group classes require certificates of registration at ringside.
- *Exhibitors are eligible for up to two premiums per class.
- *Exhibitors are responsible for feed, hay, and bedding. Extra hay cannot be stored in animal area.
- *Upon leaving, exhibitors must clean out their pens, remove trash, food, etc. from area.

Arrival and Departure Time Schedule for Animals

	<u>ARRIVAL DAY/TIME</u>	<u>DEPARTURE DAY/TIME</u>
Youth Animals are required to stay for the week		All Youth Animals

Contents

- General Prohibitions and Requirements
- Certificates of Veterinary Inspection
- Animal Identification
- Rabies Vaccination
- BVD-PI Testing
- Cleaning and Disinfection
- Animal Deaths
- Calving, Kidding, and Lambing
- Commingling of Sheep and Cattle
- Commingling of Swine and Poultry
- Isolation on Returning Home
- Individual Species Requirements
 - Cattle
 - Sheep
 - Goats
 - Swine
 - Poultry
- Exhibitor Pre-fair Guidelines

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds for any reason (show, exhibit, raffle, demonstration, display) during a fair which is not qualified under NYS regulations.
- Any animal which is subject to inspection upon entry to the fairgrounds will be inspected without covering (wraps, coats, head gear, etc.).
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious, or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of, or exposed to, any infectious, contagious, or communicable disease.

NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious, or communicable disease

(Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian. Wet ink signatures for paper CVIs or e-signature for eCVIs are acceptable.
- A physical CVI must be available to inspection staff for date and approval at time of inspection. This may be a printout of an eCVI or owner's copy of a paper CVI.
- All animals must be officially identified. ALL MANMADE ID MUST BE RECORDED. Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:

- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- An e-CVI may be issued but a paper copy of the e-CVI is required for the animal check-in process.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. For the CVI to be used for a later fair, it must be dated and initialed by a NYS Agriculture and Markets official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export>

Animal Identification

- **ALL MANMADE ID MUST BE RECORDED**
- Cattle must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended.
- Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
- Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Nursing piglets originating within NYS do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI. Nursing piglets from out of state will need official ID (see swine section).
- A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.
- NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
- For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination

- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair.
- For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months (12 weeks). Animals that are vaccinated prior to 84 days of age will need to be re-vaccinated according to label before entering the fairgrounds.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- NOTE: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination

- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
- Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year (sheep only).
- If the statement of rabies vaccination is included on a paper EIA test record, the test record must be signed certifying vaccination in addition to the required signature for the EIA test record.
- If the statement of rabies vaccination is electronically entered into an eEIA test record, only one electronic signature is required.
- NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements.
- Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

BVD-PI Testing

All cattle, llamas, and alpacas exhibited at NY county fairs, or the State Fair must be negative to an approved test appropriate to detect **Bovine Viral Diarrhea persistent infection (BVD-PI)**. Official ID must be in the animal prior to sampling. The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, official identification of the animal, and recording the test date on the CVI. If a previous test is not verifiable, the test must be repeated.

Cleaning and Disinfection

All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths

Occasionally animal deaths occur at a fair. If a death occurs, it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

Calving, Kidding, and Lambing

Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be ordered removed from the fairgrounds along with their offspring, unless the animals are part of a birthing demonstration

Commingling of Sheep and Cattle

Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingling of Swine and Poultry

Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home

The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements

Cattle

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Rabies vaccination is required for all cattle 4 months of age or older (see above).
- All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The existing, official identification, date and results of the testing must be noted on the certificate of veterinary inspection.
- All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with an age appropriate- product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair. The date and vaccine product should be documented.

Sheep

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved flock tattoo and individual animal ID number or 4) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program, and/or the electronic implant ID is recorded on the sheep's registration paper. ET tattoo in the ear or tail web. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- Rabies vaccination is required for all sheep 4 months of age or older (see above).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found. The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of sore mouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat's registration paper. ET tattoo in the ear or tail web. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of sore mouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine

Certificate of Veterinary Inspection with animals properly identified. Out of state nursing piglets need official identification along with the sow. See Animal Identification section above.

Poultry

- Poultry (with the exception of doves, pigeons, and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.
- Poultry qualified by 90-day test must be identified by official leg band.
- Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

Exhibitor Pre-fair Guidelines

Cattle, Sheep, Goats, Swine, Llamas, and Alpacas, Cervids, Misc. Ruminants

- Review the animal health requirements booklet including information for your species before your veterinarian arrives to inspect your animals. If you have any questions, ask.
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call early to avoid the last-minute rush when mistakes are made and there is no time to correct.
- Make sure USDA approved official ear tags are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats. Official ID must be applied to animals prior to regulatory testing and completion of the CVI.
- Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair.
- ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- DO NOT stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document, and you share responsibility if it is incorrect.
- If you are importing livestock from out of state, make sure the interstate requirements are met and you have a valid interstate certificate of veterinary inspection.

Poultry

- If your flock is participating in the NPIP program, schedule pullorum flock inspection and testing well ahead of the fair.
- If you're having your birds tested within 90 days of the fair, you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
- Birds qualified by 90-day test must be identified by official leg band.
- Bring documentation with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

MOST IMPORTANT

When you are loading your livestock for the trip to the fair, take the time to examine them. Make sure they are the same animals that are on the paperwork and official ID is present and legible. If they are showing any signs of illness, LEAVE THEM HOME.

JUDGING SCHEDULE FOR OPEN & YOUTH CLASSES

SUNDAY August 11

10am Youth Market Poultry

MONDAY August 12

All Day Horticulture, Farm Produce, Vegetables, Fruits, Culinary, Domestic Arts,
Grange Exhibits, FFA Projects, and Landscaping Contest

DEPARTMENT "G" OPEN DOUBLE RABBIT SHOW

Superintendent - Karen Hargrave

Official ARBA Sanctioned Show

SUNDAY – AUGUST 18TH @ 9AM

Entry Form for Open Rabbit Show - page 53

Entry Fees: For one show \$3.00 per rabbit by August 3rd, after August 3rd \$6.00 per rabbit per show.
If enter in both shows at same time \$5.00 per rabbit by August 3rd, after August 3rd \$10.00 per rabbit per show.
Checks made payable to Steuben County Agricultural Society or provide credit card information.
No refunds on pre-entries that do not show.

SHOW RULES

This is a carrying case show. Judging will begin at 9:00am. All exhibitors are responsible for getting their animals to the judging table on time. All entries are at the risk of the owner. While all precautions will be made, the Steuben County Agricultural Society assumes no responsibility for exhibitors or their animals. Entries should be typed or printed clearly to prevent clerking errors. This show will follow the current rules of the American Rabbit Breeders Association, Inc. Making an entry to this show indicates acceptance of these rules and agreement to abide by them. Exhibitors are expected to act courteously toward judges, show staff, other exhibitors, and spectators. This includes keeping children supervised by an adult. Any checks not clearing the bank will be charged a \$20 fee. Any animals appearing sick will be removed and entry fee forfeited. There is No Smoking in the exhibit building, no alcoholic beverages outside the beer "tent," and no dogs, except Service dogs are allowed on the grounds. Also refer to page 4.

Remark Cards will be available for the use of the exhibitors who wish to fill out their own or place a writer at the table for that purpose.

Thank you for your cooperation.

Location: The show will be held in the Judging Pavilion behind the swine barn at the Fairgrounds in Bath NY.
Directions: Enter fairgrounds at Chestnut St entrance.

Bath area hotels: Days Inn:607-776-7644 / Budget Inn:607-776-7536 / Super 8 Motel:607-776-2187
Microtel Inn/Suites: 607-776-5333
