GENERAL RULES AND REGULATIONS FOR ALL ENTRIES

Open Classes have no age restrictions. Youth Classes are for ages 21 and under.

Entries or animals brought to the Steuben County Fair are at risk of the owners. Society will not be responsible for any loss by fire, water, theft or otherwise. Address all inquiries concerning entries to: Steuben County Agricultural Society, 15 E Washington St, Bath, NY 14810. Or call the fair office at 607-776-4801.

Society reserves the right to reject or refuse any entry. Entry fees will not be refunded.

Exhibitors may not sell goods or distribute merchandise, printed or written material. Exhibitors are not allowed to call attention to their entry. If you do not wish to keep your ribbon or rosette, return it to your superintendent or the fair office. Open class exhibitors are not allowed to camp on the fairgrounds.

PREMIUM AWARDS:

Awards and premiums are according to the decision of the judge and as recorded in the judge's book.

Premiums will be issued by check and will not be mailed. Checks will be available at the fair office on Sunday, the last day of the fair, or when you pick up your entry on Monday.

Notice of errors, or claims of incorrect payment of premiums, must be made to the Secretary before September 15th following the fair. After September 15th the Secretary reserves the right to decline to make corrections or adjust errors.

Should weather or an unexpected event occur at the fair to reduce the net receipts below the requirement for premiums, the Board of Directors reserves the right to pay premiums on a prorated basis after all expenses have been paid. Premiums may also be affected by a lack of state funding.

Appeals to the Board of Directors regarding the awards of the judges are only allowed in regular sections and only in cases where bias is shown on the part of the judge. All appeals must be presented to the Secretary in writing within 5 business days after the conclusion of the fair and be accompanied by a fee of \$25.00. If the appeal is sustained, the fee of \$25.00 will be refunded; otherwise, it goes to the Society.

JUDGING:

Any entry without the proper entry tag attached will not be judged. If there is only one entry in a section, the entry will be judged accordingly, as in the judge's opinion of what it deserves. Awards will not be issued if judge determines the entry is not worthy. The judge will exclude anyone that has violated any of the rules and regulations of this fair. A judge cannot judge a section in which they have either direct or indirect interest in an entry. Any exhibitor will be excluded from competition if they interfere with a judge during their judging of entries.
